CME/CPD

Notice to College Members

September 23, 2015

At the CPSNL Council Meeting in March 2015, it was resolved that College members should be members of either the College of Family Physicians of Canada (CFPC) or the Royal College of Physicians and Surgeons of Canada (RCPSC) for CME/CPD purposes.

A Notice of such was sent to College members in April 2015 and a reminder sent in June 2015. This Notice will again serve as a reminder for members to join either certifying College for licence renewal for 2016.

College members will be asked to provide their CCFP/Royal College membership numbers on CPSNL annual renewal forms which will be forwarded to members in November and must be returned to CPSNL no later than January 2016. The provision of these membership numbers, and some follow-up auditing work with CPSNL, CFPC and RCPSC will provide “proof of membership” referenced in the March, 2015 College Council resolution.

All College communication to its members will be by email.
It is a professional obligation for College members to read all College communications.
